smoothly around the globe

Why ProtocolToday Academy?

ProtocolToday, The Hague, The Netherlands, enables organizations, embassies, companies, and individuals to meet the needs and expectations at national and international stages in public and private sectors. Our training programs enable your staff to represent themselves and the organization with excellence and distinction.

All our programs and services are designed to share tailored information and “bridge” gaps. Our clients are: ambassadors, diplomats, embassy staff, consulates, honorary counsels, government officials, and employees/managers of international organizations, entrepreneurs, directors, managers, public relations staff, protocol officers, board members, consultants and other professionals active in the international domain.

The value of our programs

ProtocolToday, is a capacity development company connecting values, cultures, organizations, individuals, and societies around the world. We are specialized in business etiquettes, business protocol, diplomatic protocol, cultural intelligence, and soft power skills.

We train executives to use soft and hard power in profit, non-profit, public, and government sectors around the world. Through our training program, we enable them to feel comfortable in dealing with people from different backgrounds around the world.

Executive Advance Program (EAP-21-A) Global Mindset Skills (GMS – 7 Masterclasses)

Estimated Time To Complete: 80 Hours

Global Mindset Skills To Manage Across Cultures

The world is transforming into a global village, characterized by intensive interactions at multiple levels. Local companies are becoming international since they must deal with foreign business partners. At the same time, local executives must deal with international companies, colleagues, and stakeholders (business partners, clients, agents, employees, etc.).

Simultaneously, organizational structures are becoming less hierarchical, process-oriented, diverse and are driven by abilities for collaborative cooperation and co-creation.

The impact of this ongoing internationalization requires entrepreneurs, consultants, businesses, government, and other professionals

Global Mindset Leaders have:

- Cosmopolitan outlook: an understanding of cultures, political and economic systems in other countries and how global systems work;
- Mindfulness skills: Passionate about diversity and ability to deal with multicultural people;
- Be comfortable in building trusting relationships with people from different backgrounds;
- Knowledge about the application of protocol, handle and be aware of the sensitivities when seating corporates representatives another guest, how to navigate a formal dinner or a social networking events, handle writing communication, be aware and handle different cultures.

Key Challenges

- Build the right images and perceptions about your nations and its qualities;
- Facilitate process for Twinned Cities with Dutch cities;
- Be instrumental in building business and cultural relations;
- Organize events that create impact and experience;
- Be the soft engine (first impressions) connecting stakeholders from your country with other countries stakeholders.

Structure & Didactics

Learn Today & Practice Today!

The ProtocolToday masterclass programs are one-day programs concluded with an integrated (personalized) assessment. It is delivered at EQF 7 level (EU Qualifications Framework, master level) and is based on the five Dublin descriptors (EU criteria for Higher Education).

ProtocolToday moderators consist of internationally experienced academics and professionals with a strong background in international business, global relations, and protocol. They are competent in connecting concepts and protocol to the daily practice of (international) directors, managers, and executives and can support this through their large international network and international references.

Teaching / Learning

Teaching/learning takes place on the basis of the Action Learning Model. This learning concept requires the active and interactive participation of the participants. In a logical sequence, several topics are discussed through the integration of theory, cases, and assignments, enabling participants to develop a sound understanding of the underlying concepts and to share experiences.

Participants will develop their confidence and professionalism in international protocol and soft diplomacy skills.

Assessment

- Demonstrate understanding of the content of masterclasses;
- Demonstrate facilitation skills through capstone assessment;
- Deliver training program and write self-evaluation report for review, assessment & feedback.

Certification

Successful participants will receive a Certificate from ProtocolToday Academy.

Participation

The Masterclass programmes can be delivered online or in-class in any city around the world.

It includes:

- Total program;
- Action learning method;
- Digital reading material;
- Personalised evaluation;
- Certificate. EQF 7 level of ProtocolToday Academy.

General Program Content

GMS-1

International Business Etiquette

Relations in business and social domains are easier if the concerned individuals are perceived as trustworthy, respectable, and having proper business etiquette.

To achieve a professional image, it is important for executives to understand the different types of personalities, nationalities, cultures, and the associated etiquette and manners.

The three components of business etiquette (appearance, communication, and behaviour) are at the core of this masterclass. Interactions, such as polite greetings, courteous conversations, and active listening have an important impact on how you're being perceived by others. Knowing how to make a great first impression, how to dress appropriately, read body language, etc. helps you to present yourself in an impactful way.

GMS-4

International Cultural Intelligence

The globalization of the world demands leaders, managers, and executives to deal with the complexities of merging corporate cultures as part of leadership, co-creation, production, marketing, planning, decision-making, recruitment, and task assignments.

The Masterclass International Cultural Intelligence enables participants to obtain an understanding of the power and dimensions of cultures.

It elaborates on the impact of cultures on negotiations, teamwork, contracting behaviour and management issues.

A core element of the masterclass is the Lewis Model, based on research analysis of the impact of culture in 135 countries. This model argues that humans, from any country in the world, can be divided into three clear behaviour-related categories: linear-active, multi-active and reactive.

Key Topics Include:

- Cultural intelligence;
- Emotional intelligence;
- The Power of Culture in Business;
- Dimensions of cultures;
- Intercultural & multicultural;
- Mindfulness;
- Analysis of cultures and impact on professional behaviour;
- Commonalities between different cultures;
